Are you looking for
a new challenge?

Would you like to pursue a career as a General Practice Nurse?

General Practice Nursing is a hugely rewarding area of nursing. You will help people to manage their own conditions, such as asthma, diabetes, or cardiovascular disease. You will help them to stay well and promote healthy lifestyles whilst also assessing, screening, and treating people from small children to the elderly.

We are looking for a General Practice Nurse to join our dynamic forward thinking team.

You don't necessarily need previous experience in General Practice Nursing as full training will be available for the right candidate.

You will need a valid NMC PIN and you must already be a registered general nurse to apply.

The position is for **XX** hours per week initially which is subject to change according to practice need. Salary is negotiable as this is a training role initially.

We are seeking someone who is a team player, who has a flexible approach to work, who is keen to learn and who is willing to undergo the training as stated below:

- You will be undertaking the Lincolnshire GPN Nurse Fellowship programme for the first 24 months of your employment. You will be supported by the practice team to meet the skills and competencies set by this Fellowship programme. This is fully funded by the practice for the right candidate. Your role will develop over the 24 months and you will remain employed by us after you complete the programme.
- As part of this programme you will have full support from the lead nurse team at Lincolnshire Training Hub.
- You will need the commitment and drive to meet the requirements of this challenging programme and the ability to be flexible in working in a team of supportive, knowledgeable nurses and GP's. In return you will acquire a variety of skills and knowledge and contribute to caring for our registered population of patients.
