

# Workforce Development Funding Offer 2021/2022

Lincolnshire Primary Care have been allocated workforce development funds for 2021/2022. These funds have been allocated following a training needs analysis into the following courses, webinars and training opportunities. Applications for courses will open throughout the year on the both the Lincolnshire Training Hub and Lincolnshire LMC websites as highlighted below. Additional courses are available through other funding streams - please contact LTH for further details.
