Paramedic Clinical Experience Event

Calling all year 12 students interested in studying
paramedic science or healthcare!

The University of Lincoln in conjunction with Lincolnshire Training Hub will be running a face-to-face Paramedic Clinical Experience event for year 12 students in June. This will be a great opportunity to observe and gain hands-on experience of paramedic science to strengthen university applications.

What?

Final year paramedic science students will be delivering 8 simulated paramedic scenarios for you to observe and discuss.

When?

Thurs 23rd and Thurs 30th June
Time: 9am-3pm (TBC)

Where?

University of Lincoln, Brayford Campus
