

GPN Mentors

What is this for?

Aimed at retaining experienced GPNs and supporting new to practice and return to practice nurses through mentoring.

It offers a portfolio working opportunity with a chance to develop mentoring training and skills, whilst offering newly qualified and return to practice nurses support to embed into the local Primary care landscape.

Who can be a GPN mentor?

GPNs working parttime with the capacity to support regular mentoring sessions.

What does the role involve?

- Mentoring new to practice GPN fellows- those within the first year of qualification
- Mentoring return to practice nurses in a GP placement
- Undertaking training organised by Lincolnshire Training Hub (LTH)
- Active participation in peer support and learning, as well as feedback and quality assurance, on a regular basis
- Number of mentees negotiable

How do I apply to become a GPN mentor?

Please apply in writing with a covering letter and CV to

Lisa.freeman9@nhs.net

What is the commitment required to be a mentor?

- Mentors will be responsible for managing their own time
- Time may vary depending on mentee(s)
- Paid sessional work
- Timings are flexible and negotiable between mentor and mentee

How will LTH support?

- Bespoke mentoring and coaching course
- Monthly review sessions where you can debrief, feedback and seek peer support
- WhatsApp group with mentors, where you can seek support and guidance
- Named lead for any concerns or queries that arise
- Opportunity for external coaching and mentoring qualification
