Lincolnshire Training Hub Futures Programme

Lincolnshire Training Hub Futures Programme

Our Futures Programme is a series of events to help students in Years 10-13 who would like to become healthcare professionals.

Future Doctor

Events include:

- **Virtual Work Experience:** Content includes history and examination skills and case discussions. Senior medical students will talk about life on the wards and on their placements. (Year 11-13, Summer/Autumn)
- **Buddy System:** You are matched with a medical student who can provide application support and advice. This is over a secure platform and will be provided online and face-to-face. (Year 12-13)
- **MMI Interview Preparation:** Practice Interviews with Feedback, and Top Tips Seminar (Year 13, Autumn)
- **Insight Seminar:** "Should I Become a Doctor?": An overview of medicine and an insight into life as a medical student/doctor. (Year 9-12, Summer)
- **UCAS & UCAT Preparation Q&A event.** (Year 12, Summer)

For further information about these events and how to apply, please see our website:

www.lincolnshiretraininghub.nhs.uk

Future Nurse

Events include:

- Q&A for Year 12 students (Autumn)
- UCAS Application Support for Year 13 students (Winter)
- Buddy System: matched with a nursing student to provide application support and advice (Year 12 & 13)
- Insight Seminar: "Should I Become a Nurse?": An overview of nursing and an insight into life as a nursing student/nurse. (Year 9-12, Summer)

For further information about these events and how to apply, please see our website:

www.lincolnshiretraininghub.nhs.uk

Future Pharmacist Programme

Events include:

- Q&A for Year 12 students (Autumn)
- UCAS Application Support for Year 13 students (Winter)
- Buddy System: matched with a pharmacy student to provide application support and advice (Year 12 & 13)
- Insight Seminar: "Should I Become a Pharmacist?": An overview of Pharmacy and an insight into life as a pharmacy student/pharmacist. (Year 9-12, Autumn)
