## Encourage Your Students To Consider Healthcare Careers

Funded by Health Education England, we provide a bespoke healthcare careers programme to schools in rural and coastal areas of Lincolnshire with a view to widening participation and raising aspirations among secondary school students.

The programme consists of the following elements:

**I'm a Medic, Get Me Out of Here:** A schools enrichment activity that allows school students to chat online with healthcare professionals. **Sign-up deadline 27th January 2023. Delivery dates 6th-31st March 2023.**

**Futures Programme:** A series of online and face-to-face events run in conjunction with NHS clinicians and student ambassadors to inspire, enthuse and inform a future generation of healthcare professionals. Extensive calendar of events throughout the year.

**Future Healthcare Mentoring Programme:** Working in collaboration with the Brightside Mentoring Platform, we match year 12 and 13 students looking to study Medicine, Pharmacy, Paramedic Science or Nursing with a current undergraduate in the relevant discipline for advice on the UCAS application process and student life.

**Face-to-face school visits:** Our team of Lincolnshire Health and Care professional and student ambassadors can visit your school in person to attend careers fairs or deliver a bespoke workshop to students.

For more information on any of the above, please visit [www.lincolnshiretraininghub.nhs.uk/training-and-events/futures-programme/](http://www.lincolnshiretraininghub.nhs.uk/training-and-events/futures-programme/) or contact [ruth.pollock@nhs.net](mailto:ruth.pollock@nhs.net)
