To choose your package, please complete the Google Docs form at the link below: [bit.ly/CPDfunding2324](https://bit.ly/CPDfunding2324)

Once you have completed this form, your place will be automatically booked by Lincolnshire Training Hub on the requested course(s). You DO NOT need to book the course directly with the course provider. Please check with your practice/PCN that you will be able to be released for the course dates in question BEFORE completing the form.

If courses are oversubscribed, additional dates will be booked. If any course does not have the minimum number of people signed up 56 days prior to the course start date, the course may be cancelled. If this happens, we will contact those who have booked onto the course in question to offer alternative training.

Please note: Due to significant cuts to our workforce development funding (WDF) in 2023/2024, if you apply to Lincolnshire Training Hub for a WDF course, you may be asked to contribute your 2023/2024 CPD allocation towards the cost of the course.

Any questions, please contact [ruth.pollock@nhs.net](mailto:ruth.pollock@nhs.net)

Cancellations: Please note that once booked, places on a course cannot be cancelled. If you are unable to attend, you will not be able to reclaim CPD monies to spend on alternative training.
